Subject: City of Santa Clarita Recycling Market Development Zone Program
Request for Zone Renewal

Dear Ms. Pintar:

The City of Santa Clarita respectfully requests that the Board approve our request for renewing the Recycling Market Development Zone (RMDZ) in our City. The RMDZ program has been an important part of the City's solid waste management strategy over the past ten years.

In order for the City, as well as California as a whole, to effectively continue to divert waste streams, market development for recyclables must be at the forefront. It is my hope that, in approving our renewal, the City will be a stronger partner in market development during the next ten years and beyond.

Please contact Heather Lea Merenda of my staff, current administrator of the RMDZ program, at (661) 284-1413 if you have any questions or concerns regarding this application. Thank you for your time and consideration.

Sincerely,

A handwritten signature in black ink, appearing to read "Travis Lange", with a long horizontal flourish extending to the right.

Travis Lange
Environmental Services Manager
